INFORMATION DISCLOSURE STATEMENT

Dear Sir:

The following patents and articles are cited as potentially pertinent to examination of the above-identified application.

None of the above-cited references are believed to be a bar to patentability of the present invention.

— The following is a certification pursuant to 37 C.F.R. § 1.97(e):

- (1) That each item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the statement, or
- (2) That no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application or, to the knowledge of the person signing the certification after making reasonable inquiry, was known to any individual designated in §1.56(c) more than three months prior to the filing of the statement.

Respectfully submitted,

Applicants
